FOR IMMEDIATE RELEASE

**Alpine Exteriors tees up to raise money for ALS Golf Classic**  
*Illinois construction and restoration company golfs for charity*

**CHICAGO** – Alpine Exteriors sponsors the ALS Association Greater Chicago Chapter *ALS Golf Classic* on Sept. 9, 2015. The event takes place from 11:30 a.m. – 7:30 p.m. at Cog Hill Golf & Country Club at 12294 Archer Ave. The *ALS Golf Classic* kicks off with a golf performance clinic with Bob Dickman, followed by lunch, a tournament, and awards ceremony. In addition to the corporate event sponsorship, Alpine Exteriors CEO Steve Shanton, staff, construction crew and family are golfing in the event and raising monies to donate to the ALS Association. Alpine Exteriors urges the community to #ChallengeALS and support the organization here: <http://webchicago.alsa.org/>

"Golfing while raising money for the ALS Association is a great way to increase awareness and support their research! We help residential and commercial property owners with construction, restoration and repairs from storm events throughout Illinois. Contributing to local charitable endeavors is also a major part of our mission," says Steve Shanton, CEO and founder of Alpine Exteriors.

According to the ALS Association Greater Chicago Chapter, funding, advocacy and awareness is integral to advancement in ALS research. Recent accomplishments include obtaining \$7M in appropriated funds from the Senate to continue funding for the national ALS Registry at the Centers for Disease and Control (CDC.) Amyotrophic lateral sclerosis (ALS), often referred to as "Lou Gehrig's Disease," is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord.

#### **About the ALS Association Greater Chicago Chapter**

Established in 1985, The ALS Association is the only national non-profit organization fighting Lou Gehrig's Disease on every front. By leading the way in global research, providing assistance for people with ALS through a nationwide network of chapters, coordinating multidisciplinary care through certified clinical care centers, and fostering government partnerships, The Association builds hope and enhances quality of life while aggressively searching for new treatments and a cure. As the preeminent ALS organization, The Association leads the way in research, care services, public education, and public policy — giving help and hope to those facing the disease. The Association's nationwide network of chapters provides comprehensive patient services and support to the ALS community. The mission of The ALS Association is to lead the fight to treat and cure ALS through global research and nationwide advocacy, while also empowering people with Lou Gehrig's Disease and their families to live fuller lives by providing them with compassionate care and support.
